# Solar Shades

**Solar Shades add the ultimate functionality by giving you control of the amount of light they bring into your home.**

### **Make room for a unique lighting mood**

There are many advantages to adding pleated Solar Shades to your skylight. They offer flexible light and privacy protection, operate smoothly and offer infinite position adjustment. In addition, Solar Shades allow you to set the mood by creating a customizable and unique atmosphere at the push of a button.

### **Solar Shades Benefits**

- Qualifies Material and Labor for 30% Solar Federal Tax Credit
- Solar Powered, costs nothing to operate and no need to hire an electrician
- Easily controlled with included wireless remote
